RULES FOR THE PREPARATION OF ELECTORAL ROLLS IN UNIONS.

Preparation.

1. (a) The electoral roll for each union shall be maintained in form I annexed and shall be divided into parts for each ward in cases where the union is divided into wards. Each ward shall

be separately numbered and the electors therein shall be numbered in a separate series. In each ward the streets and the names in each street shall be arranged alphabetically provided that, where such an arrangement is not convenient, the names alone may be arranged alphabetically for each ward.

(b) The roll shall be kept in the chief vernacular of the union, provided that the union board may direct that any roll or part of a roll may be kept in any other language.

2 No person shall be registered as an elector whether in his personal or in a representative capacity in more than one ward.

3. (a) It shall be the duty of the president to cause inquiry to be made and to prepare, or cause to be prepared, lists of all persons appearing to be entitled to be registered as electors in the roll for the union or for each of the wards comprised therein. The lists shall be prepared in the form prescribed for the roll and shall also contain such other particulars as the board may require.

(b) The preliminary roll shall be prepared from these lists and published in the board's office not later than the 30th April.

(c) The president shall also simultaneously publish a notice in form II specifying the mode in which, and the time within which, claims and objections are to be preferred and the date on and the place at which the revising authority will begin to sit for their disposal. The notice shall state that the preliminary roll will be open to inspection at the board's office daily between 11 a.m. and 4 p.m. up to the 15th May. Copies of the notice should be affixed in the board's office and in one conspicuous place in each ward or where there are no wards in not less than three conspicuous places in the union.

Claims and objections.

4 (a) Any person who claims to be entitled to be registered as an elector and whose name is not entered, or is entered in an incorrect place or manner or with incorrect particulars on the preliminary roll and any person whose name is on the roll and who objects to the inclusion of the name of any other person whose name is on the roll may prefer a claim or an objection to the revising authority. Such claim or objection shall be sent in form III or form IV to the president so as to reach him not later than 15th May.

(b) Claims and objections may be preferred in person or sent by post.

(c) Claims and objections received after the prescribed date shall be rejected.

(d) The president shall supply forms of claims and of notices of objections free on the application of any person.

5. (a) The president shall, not later than 20th May,

(i) publish lists of all claims and objections received in time in form V, in the board's office, and

(ii) send a copy of every notice of objection to the person to whose registration objection has been taken.

(b) In the lists referred to in clause (a) (i) and in the copy sent under clause (a) (ii) the president shall give notice that the claims and objections will be taken into consideration by the revising authority at a place and on a date to be specified therein.

6. The president shall have necessary inquiries relating to claims and objections made before the date fixed for the sitting of the revising authority and may also of his own motion remove from the lists the names of persons whom he has reason to believe to be dead, and may make such other corrections as may be necessary, provided that he shall publish a list of all such corrections with the list of claims and objections as provided in rule 5.

Revising authority.

7. (a) For each union the revising authority shall be a committee of three members of the union board. The president of the board shall *ex-officio* be member and chairman of the committee. The other two members shall be elected by the union board each year.

(b) The revising authority shall sit in open office on the day fixed and from day to day until all the claims and objections are disposed of. Orders shall be passed in writing on each claim or objection, with reasons if a claim is rejected or an objection contested. The revising authority shall also pass orders on the lists of corrections made by the president of his own motion. The orders passed by the revising authority shall be final.

Final publication.

8. (a) The president shall correct the rolls in accordance with the orders of the revising authority and the rolls or parts of rolls so corrected shall be printed and copies made available not later than the 1st July.

(b) The rolls shall also be published by being affixed to the notice board of the union office and shall come into force from the date of such publication and remain in force till the publication of a fresh electoral roll.

(c) Two copies of the roll shall be signed by the president. One of them shall be kept in his office and the other forwarded to the president of the taluk board for record in his office.

(d) The president shall not alter the roll while it continues in force, except in order to correct clerical errors.

(e) No failure to observe the dates prescribed in these rules or to observe other directions regarding the preparation of the electoral roll shall entitle any one to question the validity and conclusiveness of the registers in election proceedings.

(*f*) Notwithstanding anything contained in these rules, the president of the taluk board concerned may, in the case of the first electoral roll for a union board prepared after the introduction of the Madras Local Boards Act, 1920, and for special reasons in the case of subsequent rolls prescribe other dates for the preparation, revision and publication of the electoral roll and the roll when so revised and finally published shall come into force from the date of final publication and remain valid until the publication of the next final electoral roll.

(*g*) None of the officers entrusted with the preparation of the rolls shall be held legally liable for their completeness or accuracy; neither shall they be held liable to any action for damages by reason only of any omission or inaccuracy in respect of such rolls or any non compliance with the dates prescribed in these rules.

General.

9. The president shall keep printed copies of the rolls for inspection and sale in his office and for supply to the polling officers.

10. Any notice which is required to be sent by the president under these rules to any person shall be sufficiently sent if sent by post to the address of that person as given by him for the purpose, or as appearing on the roll, or if there is no such address, to his last known place of abode.

11. On the consideration of any claim or objection or other matter by the revising authority any person appearing to be interested therein may appear and be heard either in person or by duly authorised agent.

12. The revising authority may in its discretion, or at the request of any person interested, require that the evidence tendered by any person should be on oath and may administer an oath for the purpose.

The agency of the examination has been transferred from the Engineering College, Madras, to the Bengal Engineering College, Sibpur. The first examination under the new rules will be held in January 1922. The usual Roorkee and Madras examinations due to be held under the old rules in November and September 1921 respectively will not be held.

The Examination fee has been raised from Re. 10 to Re. 12.

DETAILED RULES

RULES FOR THE PUBLIC EXAMINATION QUALIFYING FOR ADMISSION TO THE ESTABLISHMENT OF DIVISIONAL ACCOUNTANTS.

1. No one will be eligible for admission to the establishment of Divisional Accountants until he passes an examination in the following subjects, held under the orders of the Auditor-General:—

For the future it has been arranged to entrust it to a single examining body, viz., the Bengal Engineering College, Sibpur.

2. The following are exceptions to this rule:—

(*a*) Persons who have passed the Senior Examination in Book-keeping of the London Chamber of Commerce and the Advance Stage Test of the Royal Society of Arts and who hold a certificate of having passed the Matriculation Examination of an Indian University or any other examination of a similar standard of general education, are eligible for appointment as Divisional Accountants without further examination.

(*b*) Persons who have passed in both (1) the Matriculation and (2) the Commercial Diploma Examinations of the Allahabad University, and obtained a minimum of 40 per cent of full marks in each of the marginally-noted subjects and two-thirds of the aggregate marks for these three subjects, are eligible for appointment to the Divisional Accountants' service without further examination.

(1) English .. .. .. } Of the Matricula-
(2) Mathematics .. .. .. } tion examination.
(3) Book keeping and Accountancy of the Commercial Diploma examination.

(*c*) A graduate of an Indian University may be exempted by the Accountant-General of the Province from the examination, except in Book-keeping, if the latter is satisfied that the candidate is an accurate and quick arithmetician.

3. This examination is held during the second whole week of January at the Bengal College of Engineering, Sibpur, and at the offices of the Accountants-General, Madras, Bombay, Bihar and Orissa (Ranchi), United Provinces (Allahabad), Punjab (Lahore), Burma (Rangoon), and Central Provinces (Nagpur), and the Comptroller, Assam (Shillong).

4. Other centres of examination may be fixed by the Accountant-General, provided that the number of candidates is sufficiently large and suitable arrangements can be made for the conduct of the examination under the supervision of a gazetted officer.

6. Only candidates whose age does not exceed 24 years on the date of the examination are eligible, but persons holding permanent pensionable appointments in Government service may be permitted to undergo the examination up to the age of 29 years.

Note.—The age limit of 29 years for candidates in Government employ will come into force with effect from the year 1924.

4. The candidate should apply to the Accountant General of his province not later than two months before the date fixed for the examination, stating the centre at which he wishes to be examined and enclosing a fee of Rs. 12 and the following certificates and a registration form:—

(1) Certificate of good character signed by the candidate's immediate official superior, by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed or in whom he may be well known. This certificate must have special reference to the two years immediately preceding the date of the application.

(2) A duly verified statement of age, e.g., a baptismal certificate, a birth certificate, an affidavit signed by the guardian or a relative of the candidate before a magistrate, or an attested extract from the service book if the candidate is already in Government employ.

The application should be written by the candidate in his own handwriting, and the certificates (which will not be returned) should be submitted in original.

7. The registration form should set forth the following particulars.—

(1) Name of candidate (including Christian or personal names in full).

(2) Father's name in full).

(3) Nationality or class (i.e., European, Anglo-Indian or Indian) of candidate and if Indian, caste or tribe.

(4) Date of birth.

(5) Place of birth.

(6) Present address.

(7) Examination passed.

(8) Signature of candidate.

(9) Thumb mark of candidate, left hand, to be made in the presence of a well-known responsible person who knows the candidate.

(10) Signature, designation and address of above-mentioned witness (*with date*).

Note.—A candidate already in Government service should, in like manner, submit his application through his immediate official superior.

5. Applications which do not satisfy the requirements of the foregoing rules should be rejected without entering into further correspondence with the candidates. Other applications will be considered on their merits by the Accountant-General whose decision as to whether or not the candidate should be allowed to appear for the examination will be final.

8. At least one month prior to the date fixed for the examination, the Accountant-General should forward to the Principal of the College for registration a statement showing in respect of accepted candidates only, their names, ages (as on date of examination), and addresses and the centres where they are to be examined. This statement should be supported by the accepted candidates' registration forms duly signed by the Accountant-General in token of acceptance, which should be carefully preserved by the Principal.

10. Simultaneously each candidate should be informed whether or not his application has been accepted.

11. The fees of accepted candidates should be deposited by the Accountant General at the local treasury to the credit of the Principal and those of rejected candidates should be returned to them by postal money order at their cost.

12. As each examination is complete in itself, a candidate who has failed in an examination and presents himself for an examination on a subsequent occasion, must undergo the full examination and furnish a fresh fee with fresh certificates and registration form. If from any cause the candidate fails to appear for the examination the fee paid will not be refunded, nor will it be placed to his credit for any subsequent examination.

13. Examination papers for registered candidates only will be sent by the Principal to the officers conducting the examination in time for the fixed dates.

14. The examination will be held at all the centres simultaneously under the supervision of gazetted officers on the dates and at the hours fixed by the Principal, which should be communicated by the Principal direct to the registered address of each accepted candidate by registered post.

15. The results of the examination will be declared by the Principal within three months after the examination and communicated direct to each examinee, showing only the marks gained by him in each subject and the order of standing in the case of successful candidates. A few printed copies of the complete results of successful candidates only, showing (1) order of merit, (2) name (in full), (3) father's name, (4) age, (5) examinations passed, (6) marks gained in each subject and in the aggregate, and (7) address, should be forwarded to each Civil Accountant-General to enable him to maintain lists of passed candidates.

16. It must be distinctly understood that the passing of this examination does not give any claim to appointment as a Divisional Accountant, and that applications for appointment should not be addressed to the Principal. The passing of this examination is a necessary qualification, but the establishment of Divisional Accounts is mainly recruited by selection from amongst qualified clerks actually employed on accounts duties in the divisional and subdivisional offices of the Public Works Department or in Civil audit offices. A small number of graduates of Indian Universities and other persons of superior and special qualifications who may have passed this public examination, may, however, be appointed direct by the Accountant-General (*vide* paragraph 4 of Appendix A).

17. These rules may at any time be amended or revised by the Auditor-General who reserves to himself the power to grant exemptions from this public examination in very special cases. No general revision of the rules affecting the subjects of the examination or the necessary qualifications of candidates will be enforced until three years have elapsed since the date of such revision.

Board (Income-tax), Madras,
20th July 1921.

J. H. KRISHNAMMA,
Secretary.

No. 10.—In virtue of the powers delegated under rules XI of Government Notification No. 485, dated 13th July 1898, published on pages 1203 and 1204 of the *Fort St. George Gazette*, dated 20th September 1898, Part I, and in supersession of Board's notification No. 8, dated 13th July 1920, the Commissioner of Salt, Abkari and Separate Revenue hereby prescribes the following rules for the issue, etc., of licences under section 12 of the Madras Abkari Act I of 1886, for the tapping of toddy-producing trees and for the drawing of toddy therefrom, to have effect in the following local areas from the 1st day of October 1921 :—

(1) The villages in the Agency division specified in Schedule I annexed.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Anjengo, Tangassery and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licences shall be issued on the application—

(*a*) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction as licensed separately ;

(*b*) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor ;

(*c*) of tappers on their own application in the South Kanara district, provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken ;

(*d*) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency Division specified in Schedule I, in the Godavari district, in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, and in the Repalle and Bapatla taluks of the Guntur district for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale ;

(*e*) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory ;

(*f*) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Salt and Abkari Inspector of the State ; and

(*g*) of any member of a hill tribe whether a treewoer or not, residing in any of the villages of the Vizagapatam district specified in Schedule II, for not more than five trees for each house-hold for domestic consumption but not for sale.

In cases (*a*), (*b*), (*d*) and (*e*) the licences may be issued in the name of the applicant himself or of his nominee, and in cases (*c*), (*f*) and (*g*) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor. Pudukkottai renters when applying for trees in British territory must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4. (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped ; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer ; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T. T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner of the trees intended to be marked, in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the applications of farmers or shopkeepers in the other do not permit the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory. Toddy shopkeepers in British territory adjoining the Pudukkottai State will be allowed to tap trees in that State on payment of tree tax to that State at the higher of the rates prevailing on both sides of the frontier.

7. Persons applying for the issue of Exemus will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the licence. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, in the Repalle and Bapatla taluks of the Guntur district and in the villages of the Agency division specified in Schedule II, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Thadasal (*Areaga Wightii*) trees in South Kanara, tree-tapping licences shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sago trees they shall be half yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees which have been illicitly tapped, on which the full tree-tax may be levied.

12. The following shall be the fees payable on account of each tree for the tapping of which licence is applied for :—

Districts.	Coconut palms (for each half-year as defined in rule 11 above).	Sago palms (for each half-year as defined in rule 11 above).	Palmyra or date palms (for the whole year as defined in rule 11 above).	Thadasal (*Areaga Wightii*) palms (for the whole year as defined in rule 11 above).

15. For the convenience of applicants, applications will be received from 1st September or 1st March; but no trees will be marked, nor licences issued, nor preparation of spathes permitted before 16th September or 16th March; nor shall pots be attached to trees before the evening of the 30th September or 31st March, as the case may be. In the South Kanara district when a licensee desires to change the shop to which his toddy is to be taken, the permit will be amended on application and on prepayment of two annas in addition to the court-fee stamp of the value of one anna to be affixed to the application. Free-foot sales or sales in the open are absolutely prohibited.

No. 30.] MADRAS, TUESDAY EVENING, JULY 26, 1921. [Price, 1 anna.

SALT, ABKARI AND CUSTOMS DEPARTMENT.

NOTIFICATION.

No. 9, dated 16th July 1921.

NOTICE OF SALE OF ABKARI PRIVILEGES.

Notice is hereby given that the privilege of sale of toddy in independent shops in the tree-tax areas of the Presidency including the Banganapalle State and the toddy farms of 122 villages of the Parlakimedi Maliahs of the Ganjam district will be put up to auction subject to the conditions hereinafter set forth. The period for which the privileges will be sold will be twelve months commencing 1st October 1921 and ending 30th September 1922. The number of shops and farms, the local limits appointed for them and the dates on which, the places at which and the officers by whom the auction sales will be conducted will be notified by Collectors in their District Gazettes. The Collector of Ganjam will notify separately the special conditions applicable to the toddy farms in his district. A separate notification will be issued regarding operations under the tree-tax system.

Conditions of Auction Sale.

I. A deposit must be made by each bidder before bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of an aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Kurnool district, the selling officer may, where he finds it necessary, require a deposit of Rs. 10 from bidders for toddy shops. In the South Kanara district, the selling officer may, at his discretion, reduce the deposit to Rs. 2 for shops whose average monthly rental does not exceed Rs. 2. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for single small farms.

II. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upset prices will be fixed at the discretion of the Collectors. The reserve price placed by Government on the shops or farms will not be published, but the average of the previous five years' rentals will be notified by the Collectors, wherever possible, for the information of bidders.

III. No person will be allowed to bid for another unless he holds a power of attorney from him.

IV. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground (1) that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of licenses or of a contract under the $\frac{\text{Abkari}}{\text{Opium}}$ Act as to render him undesirable as a holder of a license; or (2) that he is insolvent or in arrears to Government; (3) that his bid is purely speculative; (4) that he is a village officer or a relative of a village officer of the village in which the shop is situated or which is supplied by the shop, or of a neighbouring village; (5) that he is a contract supplier of country spirits for the contract area within which the shop is situated; (6) that he is a brewer bidding for beer shops; (7) that such a course is necessary to prevent arrangements to the detriment of Government interests; or (8) for any other valid reason.

V. The shops will be knocked down to the highest bidder. If for any of the reasons mentioned in the preceding clause the highest bid is rejected, the next highest shall be taken or the shop resold at the selling officer's discretion. In case of dispute the selling officer's decision shall be final. The sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VI. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. At the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a

month's rent (in addition to the deposit made under clause I) for each shop or farm unless the initial deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause I will be forfeited and the shop or farm will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop or farm in the sales then in progress.

VII. Any person to whom a shop or farm has been knocked down and who has made deposits as provided in clauses I and VI shall also deposit, in cash or approved security, within ten days from the date of communication of the Collector's acceptance of the bid, such further sum as with the former deposits will make up two months' rent and shall without unnecessary delay take out a licence on the conditions hereinafter set forth. In the event of the purchaser's death after issue of the licence, his heirs and assigns shall be responsible for all moneys that may become due to Government under the terms of the licence as well as for the proper observance of all the conditions of the licence. Should the initial deposit exceed two months' rental, the excess will be refunded unless the purchaser is requested to deposit twice that sum under clause VIII infra.

VIII. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause VII supra, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 57, Schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000. In all cases where sureties are demanded the licensee shall be bound to execute a counterpart agreement.

IX. On the failure of any person to make a deposit or take out a license under clauses VII or to comply with any requisition or to execute any engagement under clause VIII supra, the deposits already made may be forfeited and the shop or farm may be resold under the orders of the Divisional Officer on a date to be notified by the Collector or may be otherwise disposed of by the latter officer. Resales under this clause will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop or farm is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale.

X. The purchaser of any abkari or opium privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal licence may not have been issued to him.

XI. The deposits referred to in clause VII or VIII may be made either in cash or in recognized Government, Port Trust, Municipal or Local Board securities or by depositing Postal Savings Bank pass-books. When deposits are made otherwise than in cash, the Collector may demand that they shall be of such higher face value than the cash deposit required, as in the circumstances of the market he may think necessary. The securities or Savings Bank pass-books deposited must be endorsed in the name of the Collector and Government promissory notes must be enfaced for payment of interest at the treasuries at which they are deposited, if so required. Deposits in cash will be adjusted towards the instalments of hists due in the last months of the period of the lease. Deposits of securities or savings bank pass books will be returned upon payment of the full amount of the hists due in cash unless the depositors wish that Government should take them over, in which case they will be taken over at the price of the day, and the balance, if any, due to Government must be paid in cash. In cases of default under clause IX of the conditions of auction sale or under condition 37 of the General conditions applicable to all abkari and opium licenses, all securities deposited are liable to be sold for any amount due to Government under the terms of the lease, the remainder, if any, due after such sale, being recovered as arrears.

General Conditions applicable to all Abkari and Opium Licences.

1. Shops and depots must be opened by the dates fixed by the Collectors and must be kept open every day unless their temporary or permanent closure is authorized under conditions 10, 11 or 11 infra.

2. Except where definite sites in the possession or under the control of Government have been prescribed, purchasers of shops must make their own arrangements for securing proper sites for their shops. They are at liberty to choose any site within the local limits notified by the Collector, provided the site selected is approved of by the Revenue and Police authorities. The limits of the site selected and approved will be entered in the licence. The possession (except subject to the rules applicable to unlicensed persons) or sale of liquor, opium or intoxicating drugs outside these limits is prohibited.

3. Sales under any abkari or opium licence must be conducted in an approved building of which the whole or the whole of a separable part must be entirely set aside for such depot or shop. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 or over, there shall be no possible means of ingress or egress in any direction except into the main street; if there are other doors they shall be kept locked under the seal of an officer of the Salt, Abkari and Customs Department; the interior of the shop shall be sufficiently lighted by day and the whole interior visible from the front door; the shop shall not be used as a place of residence even by the vendor and his family or caretakers. If there are means of communication between the depot or shop and an adjoining dwelling house, they must be kept locked at night.

4. Except when two or more foreign liquor licences are held by one person or in the case of licences held by chemists and druggists and medical practitioners, sales under different licences must be conducted in different premises.

5. Private bars in liquor shops may be allowed by the Collector under a special license to be granted by him free of fee; provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door provided with a proper sign to show the nature of the bar.

6. A signboard must be affixed to the front of each depot or shop showing the nature and number of the licence under which sales are conducted there, the name of the licensee and (except in the case

of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and in the case of taverns and wholesale depots in English also. The licence must be hung up in a conspicuous place within the depot or shop.

7. The possession upon any licensed premises of any liquor, opium or intoxicating drug except that to which the licence relates or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding licence is prohibited.

8. Such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained in depots and shops.

The Board may for sufficient reasons order the general closure of any kind or kinds or all kinds of licensed premises at any earlier hour than 8 p.m.

(b) Collectors are authorised to notify at the time of the annual sales that specified shops will be closed on the occasion of specified festivals and that the hours of sale at specified shops which are situated within a mile of a market or shandy will be limited on market days generally or that they will be liable to limitation on such occasions by orders issued during the currency of the lease, if it is found that the shops promote drunkenness. Discretion is also allowed to Collectors to order the closure of specified shops in the neighbourhood of factories, mills and other places where large numbers of operatives assemble on week days from 11-30 a.m. to 1-30 p.m., on the afternoons of pay days and at all hours on Sundays except between 11-30 a.m. and 4 p.m. A special condition embodying these restrictions or limitations will be inserted by the Collector in the licences granted to the renters of all such shops.

11. Depots and shops situated on or adjacent to line of march must be closed, if the Collector so orders, while a regiment or detachment of soldiers is passing or in encamped in the vicinity. Collectors or Divisional Officers shall have power also temporarily to close any shops in times of religious excitement or disturbance. Every depot and shopkeeper shall on his motion close his depot or shop when there is a riot or disturbance in the neighbourhood.

12. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to liquor, opium or intoxicating drugs either to increase their intoxicating power or for any other purpose. This prohibition, however, does not apply to the compounding or blending of liquor or to the manufacture of intoxicating drugs from hemp drugs and opium in accordance with the terms of a licence. Liquor shall not be bottled except under a bottling licence. Nor shall different kinds of liquors be mixed and sold under the designation of one of them.

The Divisional Officer may, where necessary, call for the names of all persons employed or proposed to be employed in any depot or shop and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

15. No liquor, opium or intoxicating drug shall be sold or given—

16. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or firms of standing and respectability dealing in foreign liquor for consumption off the premises.

17. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

Bill No. 6 of 1921.—The Madras City Tenants' Protection Bill, with Statement of Objects and Reasons .. 1489

Bill to be introduced into the Council of the Governor of Fort St. George for the purpose of making Laws and Regulations.

Under rule 18 of the Rules for the conduct of business at meetings of the Madras Legislative Council, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 6 of 1921.

The Madras City Tenants' Protection Bill, 1921.

WHEREAS tenants in many parts of the City of Madras have constructed buildings on others' lands in the hope that they would not be evicted so long as they pay a fair rent for the land, but without any specific contract as to the duration of the lease or the conditions on which the buildings were to be erected; and whereas recently attempts have been made or steps taken to evict a considerable number of such tenants causing serious loss and hardship to them; whereas it is just and reasonable that they should not be evicted without payment of compensation; and whereas the sanction of the Governor-General has been obtained under section 80-A of the Government of India Act; It is hereby enacted as follows:—

1. (1) This Act may be called the Madras City Tenants' Protection Act, 1921;

(2) it extends to the City of Madras; and

(3) it shall come into force at once.

2. In this Act unless there is anything repugnant in the subject or context—

(1) 'Building' includes a house, out-house, stable, latrine, shed, hut, wall and any other such structure, whether of masonry, bricks, wood, mud, metal or any other material whatsoever.

(2) 'Landlord' means

any person owning any land, and includes every person entitled to collect the rent of the whole or any portion of the land, whether on his own account or on behalf of or for the benefit of any other person, or by virtue of any transfer from the owner or his predecessor in title or of any order of a competent court or of any provision of law.

(3) 'Tenant' means

any person liable to pay rent on land and includes every other person deriving title from him.

3. Every tenant shall on ejectment be entitled to be paid as compensation the value of any building, which may have been erected by him, by any of his predecessors in interest or by any person not in occupation at the time of the ejectment who derived title from either of them and for which compensation has not already been paid.

4. (1) In a suit for ejectment against a tenant in which the landlord succeeds, the court shall ascertain the amount of compensation payable under section 3 and the decree in the suit shall declare the amount so found due and direct that, on payment by the landlord into court within three months from the date of the decree, of the amount so found due, the tenant shall put the landlord into possession of the land with the building thereon

(2) In an application under section 41 of the Presidency Small Causes Courts Act, 1882, in which the landlord succeeds, the court shall ascertain the amount of compensation payable under section 3 and shall pass an *interim* order declaring the amount so found due and stating that, on payment by the landlord into court within three months of the date of the said *interim* order of the amount so found due, the landlord shall be entitled to the order contemplated by section 48 of the Presidency Small Causes Courts Act, 1882.

(3) If in such suit or application the court finds any sum of money due by the tenant to the landlord for rent or otherwise in respect of the tenancy, the court shall set off such sum against the sum found due under sub-section (1) or sub-section (2), as the case may be, and shall pass a decree or *interim* order declaring, as the amount payable to the tenant on ejectment the amount, if any, remaining due to him after such set-off.

(4) If the amount found due is not paid into court within three months from the date of the decree under sub-section (1) or of the *interim* order under sub-section (2), or if no application is made under section 6 the suit or application, as the case may be, shall stand dismissed, and the landlord shall not be entitled to institute a fresh suit for ejectment, or present a fresh application for recovery of possession, for a period of five years from the date of such dismissal.

5. (1) The compensation awardable under section 4 shall be the value of the building on the date of the decree or *interim* order as the case may be.

(2) In determining such value, the court may take into consideration the estimated cost of erecting a similar building, the amount to be allowed for depreciation and the amount spent on repairs.

(3) If, on account of accident or other cause for which the landlord is not responsible, the building, for which compensation has been adjudged under section 4, is destroyed or has deteriorated in value between the date of the decree or *interim* order and the date of ejectment, the court may, on application by the landlord, pass an order directing that he be placed in possession without paying any compensation, or on payment of the amount determined on a revaluation of the building as the case may be.

6. (1) If, after a decree or *interim* order is passed under section 4, the landlord is unable or unwilling to pay the compensation ordered, he shall, within three months from the date of the decree or *interim* order, be entitled to apply to the court to fix a reasonable rent for the occupation of the land by the tenant and thereupon the court shall by its order fix such rent as it deems reasonable:

Provided that the rent previously payable for the land shall not be enhanced by more than 4 annas in the rupee.

(2) On the passing of an order under sub-section (1) the decree or *interim* order passed under section 4 shall be deemed to have been vacated.

7. Any landlord may apply by a petition to the court having jurisdiction to entertain a suit for ejectment or to the Presidency Small Causes Court to fix a reasonable rent for the occupation of the land by the tenant and thereupon the court shall by its order fix such rent as it deems reasonable:

Provided that the rent previously payable for the land shall not be enhanced by more than 4 annas in the rupee.

8. An order passed by a court under section 6 or section 7 shall have effect as a decree in a suit and the rent so fixed shall not, except by a contract in writing registered, be revised for a period of five years nor shall the tenant be liable to be evicted during that period.

9. (1) Sections 4, 5, 6 and 8 shall apply to suits in ejectment and applications under section 41 of the Presidency Small Causes Courts Act, 1882, which are pending, or in which decrees for ejectment or orders under section 48 of the Presidency Small Causes Courts Act, 1882, have been passed, but have not

been executed before the coming into force of this Act.

(2) In suits in which decrees for ejectment have been passed the amount of compensation due shall be ascertained in execution and a fresh decree passed in accordance with section 4.

(3) In cases in which orders passed under section 43 of the Presidency Small Causes Courts Act are pending execution at the commencement of this Act, the court shall recall such orders, ascertain the amount of compensation and pass an *interim* order under section 4.

10. No suits in ejectment or applications under section 41 of the Presidency Small Causes Courts Act shall be instituted or presented against a tenant until the expiration of three months next after notice in writing has been given to him requiring him to surrender possession of the land and building, and offering to pay compensation for the building and stating the amount thereof.

A copy of such notice shall at the same time be sent to the Commissioner of the Corporation of Madras.

11. Nothing in this Act shall apply to tenancies created by writing registered containing specific stipulations as to the terms on which buildings are to be erected or the payment of compensation therefor.

12. In its application to the City of Madras, the Transfer of Property Act, 1882, shall, to the extent necessary to give effect to the provisions of this Act, be deemed to have been repealed or modified.

STATEMENT OF OBJECTS AND REASONS.

In many parts of the city of Madras dwelling houses and other buildings have, from time to time, been erected by tenants on land belonging to others in the full expectation that, subject to payment of a fair ground-rent, they would be left in undisturbed possession notwithstanding the absence of any specific contract as to the duration of the lease or the terms on which the buildings were to be erected. Recently attempts made or steps taken to evict a large number of such tenants have shown that such expectations are likely to be defeated. The tenants, if they are evicted, can at the best only remove the superstructures which can only be done by pulling down the buildings. As a result of such wholesale destruction, congested parts of the city will become more congested to the serious detriment of public health. In the circumstances it is just and reasonable that the landlords when they evict the tenants should pay for and take the buildings. There may however be cases where the landlord is unwilling to eject a tenant if he can get a fair rent for the land.

The Bill provides for the payment of compensation to the tenant in case of ejectment for the value of any buildings which may have been erected by him or by his predecessors in interest. It also provides for the settlement of a fair rent at the instance of the landlord.
